Soxo

Calicut, Kerala

Subject: Application for Frontend Developer (React.js) Position

Respected Sir/Madam,

I am writing to express my interest in the **Frontend Developer (React.js)** position at **Soxo**. With a strong foundation in **React.js, JavaScript (ES6+), HTML5, and CSS3**, I am eager to contribute my skills to your development team and help build engaging, user-friendly web applications.

I have hands-on experience in:

- ✓ **React.js** for building dynamic and interactive UI components.
- ✓ **CSS pre-processing** (SASS, Styled Components) for scalable styling.
- ✓ **Webpack and ParcelJS** for optimized bundling and performance.
- ✓ **Git version control** for collaborative development.
- ✓ **Reusable and maintainable code practices** for scalable applications.

I am particularly excited about the opportunity to work at Soxo because of your commitment to building robust front-end solutions. I am confident that my technical skills, problem-solving ability, and passion for creating seamless user experiences align well with your requirements.

I have attached my resume for your review. I would love the opportunity to discuss how I can be a valuable addition to your team. Please let me know a convenient time for an interview.

Looking forward to your response.

Best regards,

Mohamed Shafeeq
